

WAM Spring 2019 Buck
Grading Rubric Audio Podcast Project

NOTE: I will give you feedback based on this number system. These numbers are only for the purpose of feedback; they are not part of a point system.

1=missing/absent, 2=needs significant revisions, 3=needs some revisions, 4=good/solid effort, 5=excellent

audio essay & presentation

is your project an audio essay on a specific theme?	
did you make creative use of sound effects, music, silence, and any other audio tools at your disposal to communicate your ideas?	
did you use research from interviews or other sources in your essay?	
did you write your essay to be spoken? did you use your voice rhetorically?	
did you present your 3-5 minute project on the assigned date?	

Comments:

writing

did you address audience and purpose in your reflection?	
Did you explain your design choices?	
Did you discuss class materials and readings?	
Did you include your podcast script?
